Junior Project – years 3 -5

For the remainder of this term and the summer holidays we have decided to give the junior pupils a project on an event, or period of time in history. As part of our target to improve Pupil Voice and Pupil Choice in to how they learn, the pupils can decide which event / period they would like to cover for their project. This needs to be completed and handed in at the start of the Autumn Term (i.e September).

Digital Parenting Magazine – ‘Keeping children safe’

Mrs Allen attended a training course last week, and she was advised that Vodafone provide online support and advice including a magazine that you are able to download called Digital Parenting. If you are interested, google Vodafone, scroll down to the bottom of the page, on the bottom right you will see ‘keeping children safe’. Click on this and it will take you to the support page.

Elaine has downloaded this month's magazine which she will attach to the email along with this letter.

Yours sincerely / Yr eiddoch yn gywir
