Headteacher – Janet Meaden BA Hons

12<sup>th</sup> May 2017

Dear Parents / Annwyl Rhieni

Many thanks for your contributions of bottles and chocolates for our Fun Day.

### Maths Factor Recourse

- ❖ We have just purchased the Maths Factor Resource and added it to Active Learn. We have had a little look at it today and it does look very good, and we have put out activities suited to your child's level of learning but we are not altogether familiar with it. If anyone would like to use it over the weekend that would be great, and if you have any feedback please let us know next week.. The school username is kxkt. You will need your child's Active Learn password to access it.
- ❖ Have fun learning as we think it is a very nice resource, but please be mindful we have had to quickly assign a resource for your child, if it is too easy or too difficult please let us know.

### F1 Jaguar Primary School Challenge – Tuesday 23<sup>rd</sup> June

The children who are going to the above will not be back in school until 4.30pm approx, as the awards presentation does not finish until 3.30pm.

If your child is going please can you complete the attached Form B.

**Reminder please can children bring in their own water bottle** so that they are able to refill them during the school day. Lots of children particularly in Foundation Phase are asking staff for cups from the kitchen throughout the school day. Many thanks.

Yours sincerely / Yr eiddoch yn gywir

Janet Meaden, Headteacher
