

May 18<sup>th</sup> 2016

Present - Mr Williams, Mrs Gillett, Carys ,Eve, Katie and Mali.

<b>Idea</b>	<b>Agree/disagree/ more discussion needed</b>	<b>Any further information</b>
Peer Mediators are now doing a much better job and Katie is doing a good job at reminding people when it is their day and to wear the bibs.	A	
NW reminder to only make one card per student teacher when it is their last day. In the past there have been lots of people doing individual cards which is very nice but results in lots of card/paper being used. The students will be more likely to keep just one card from everybody.	A	
Collaborative Learning Groups. You are all doing so well with the Eco topic and getting so much from it we are going to extend this until the end of summer term.	A	
Junior lights- need to get better at turning off the lights at break and dinner time. Remind class that it is the Helpwr Heddiw job to turn them off.	A	Start doing the tick sheet again so we can see if there are any dates and times when the lights aren't being done.
NW has now added section to the website. The minutes from the last meetings will be posted on the website to keep the whole school community informed.	A	Just use first names on the minutes from now on as we shouldn't put full names of children online.
Monitoring has been going well. A couple of times when the Foundation Phase recycling bin had the wrong things in and girls toilets had the taps left on, but this seems to be much improved over the last couple of weeks.	A	Keep praising those who are doing well. Reminder that pupil of the year award is soon so keep a special eye out.
