Headteacher – Janet Meaden BA Hons

1st February 2017

Dear Parents / Annwyl Rhienni

We are once again celebrating our 'Green Status' which recognises St Mary's Nercwys as one in a group of top performing Flintshire schools for 'pupil standards, and leadership'.

We would like to wish our student teachers, Mr Brownhill, Miss Morris, Miss Maddock & Mr Edwards all the best for the future, as this is their last week in our school.

Parking

In the interest of pupil (and adults) safety, please can you refrain from parking on the yellow lines outside school. It would be appreciated that if wherever possible you could use the car park. Thank you for your co-operation in this matter.

Mountain Rescue has been into school this morning to talk to the junior pupils about the work that they do. *The Leader* newspaper came to school to take photographs and this is going to be in tomorrow's paper.

Netball - Juniors

- ❖ There is netball practice in school this Friday morning **3rd February**.
- ❖ The netball team is taking part in the small schools netball tournament on Tuesday **7th February** at Deeside Leisure Centre. We need to be there by 9.30am and will be back in school by 1pm so children will need a packed lunch and extra drinks.
- ❖ Help with lifts is needed please

Friends of school meeting Tuesday 7th February at 3.15 pm at school. All welcome.

Governors meeting this term is on Thursday 9th February.

Yours sincerely / Yr eiddoch yn gywir

Janet Meaden, Headteacher
