9<sup>th</sup> October 2015

Dear Parents / Annwyl Rhieni

### **Caretaker**

Allan our school caretaker had an accident last weekend and he has been signed off work for 2 weeks. Angela Thomas kindly offered to help out this week and we are very grateful to her, but due to work and family commitments she will not be able to do so next week.

***If anyone is able to help or knows of someone who can help it would be very much appreciated.***

### **Sports Week**

Mr Williams is organising a 'sports week' for the junior pupils the week beginning 19<sup>th</sup> October. This will be an opportunity for pupil to discuss different prejudices within sport e.g racism, sexism etc. Pupils may have the chance to experience some sports that disabled people take part in.

### **Schoolcomms**

Some parents will have received a text message about school dinners today via the Schoolcomms online payment system. Please don't worry as we would never stop a child having a school dinner. Apparently you do have to go into your account to check your balance. Elaine has not received any training on this part of the system and thought that it would automatically give you your balance. Please bear with us, at the moment as we are having a few teething problems, but I am sure it will worth it in the long run.

### **Violin /Cello lessons**

There will be no violin/cello lesson on Tuesday 20<sup>th</sup> October as Mrs Mulholland is not in that day. The lesson for that week will be on the Wednesday 21<sup>st</sup> October.

**Tempest Photographs** – reminder – Friday 16<sup>th</sup> October.

Yours sincerely / Yr eiddoch yn gywir

Janet Meaden, Headteacher
