- ❖ Juniors will be going during the spring term.
- ❖ The children will be transported by Llew Jones coach hire company.

Technique Friday December 2nd

Reminder please return **your Form B** to enable your child to go on the trip, please ignore this message if you have already sent yours back to school.

Eco committee meeting

Following a suggestion from Riley Griffiths, year 5, the Eco committee have agreed that no Christmas cards should be given out in school this year. The committee felt that this was a waste of paper as many cards are left in school. Instead the committee have suggested making a donation to the Kenyon schools project which is a company who donate desks for children to use in Kenya. School would receive a picture of the desk being used with our school name on. At the moment many pupils in Kenya work on concrete so this is a great idea. If you would like to make a donation please send into school, thank you.

Football Tournaments

Congratulations to the school football team, who won their group of the mountain league tournament which they took part in last Friday. They will now go forward to play other group winners.

The girls football team also did extremely well in their festival the week before, they were undefeated against much larger schools winning 3 and drawing 1.

Magazines etc

If you have any old magazines/comics that you could donate to school for reading materials, it would be much appreciated.

Children in Need

Many thanks for your support of our fundraising event for Children in Need, we raised £74.05.

Yours sincerely / Yr eiddoch yn gywir Janet Meaden, Headteacher
