10th June 2016

Dear Parents / Annwyl Rhienni

We are trying to ensure that our communication with you is easier, quicker and more efficient. I am pleased to inform you that we have introduced a new app service to the school.

OurSchoolsApp is a personalised app for our school and will allow us to keep you updated with school information, news and calendar events.

If you have a smartphone (Android or iPhone) you can download OurSchoolsApp from Google Play Android or the Apple store for FREE. Access is also available on a tablet and iPad by following the same download process.

When we update OurSchoolsApp with new information or news about the school, a push message notification will automatically be sent to your device to inform you of the update. You can then view the notification which will take you directly to our app.

Instructions for download:

1. Using the relevant device (iPhone, iPad, smart phone tablet or android phone) search for 'OurSchoolsApp' on your app store,
Google play for Android https://play.google.com/store/apps/details?id=com.truancycall.ourschoolsapp&hl=en_GB
OR iTunes for Apple devices <https://itunes.apple.com/gb/app/ourschoolsapp/id653040028?mt=8>
2. Download the 'APP'
3. In the search bar in the APP put the postcode, or name, of the school.
4. Hit the search button
5. Once you see our school name displayed, just touch the screen on the school name.
6. Confirm your choice by pressing OK
6. You will now be presented with the APP for the school.

If you do not have smartphone you can still view the APP and the information online at www.OurSchoolApp.com

Yours sincerely / Yr eiddoch yn gywir
