Headteacher – Janet Meaden BA Hons

4th September 2015

Dear Parents / Annwyl Rhieni

Miss Jones – Gunes had an accident at the end of the holidays and has had surgery on her eye. She is recovering well. Wherever possible, Mrs Allen will be covering the class.

The school would like to use a drop box account to store videos of pupils' oral work. The account is password protected and won't be used outside of school. This will save space on our computers and also allow the pupils to easily find examples of their oral work in their workbooks. Please speak to Mr Williams if you would like any more information about this or if you would prefer your child's work not to be stored in this way.
